

Join Us for a Community Workshop for the I-80/SR 65 Interchange Improvements Project

Drop By!

Placer County Transportation Planning Agency (PCTPA) will host a community workshop providing overview of and soliciting input about the I-80/SR 65 interchange improvement project.

The project proposes improvements to the interchange to reduce traffic congestion, improve traffic operations, and enhance safety. This phase of the work will refine the project's need, complete a detailed traffic analysis, evaluate alternatives & determine the preferred alternative and secure environmental clearances. Representatives from PCTPA, Caltrans, and project consultant team will be available to provide an overview of the project, schedule and will answer questions and discuss ideas in an informal format.

Please drop by at your convenience any time between 6 to 8 p.m.

**Thursday
